

## State Contract Pricing - Medical Administrative Staffing

### Over a decade serving the State of Arizona

**Corporate Job Bank** has been an approved vendor for the State of Arizona for twelve years running. We are currently serving 16 State Agencies, as well as 5 Municipalities and 3 Counties. We have been consistently ranked as the top agency based on utilization under the State contract.

**Corporate Job Bank** has been able to achieve this status due to our local presence. Based in Tempe and privately owned for nearly three decades, our agency truly embodies our tag line "Our People Make the Difference".

Our Account Managers are committed to being accessible, and our staff is comprised of local talent with proven success in areas of recruiting, staffing and human resources. Additionally, our business office and billing are local as well. This means prompt service and personal attention on both ends of the transaction.

### Quality Assurance Procedures

**Corporate Job Bank** Personnel employs the most rigorous hiring and employment standards, ensuring that our clients receive the highest quality employees possible.

In 2006, **Corporate Job Bank** diversified business lines and hired a team of medical staffing professionals to start and grow our newly formed medical division.

In the past 7 years, Corporate Job Bank has staffed a wide variety of medical positions across the Arizona market. We have experience and expertise in Specialty and Sub-specialty Staffing, Outpatient Facilities, Hospitals, Health Plans and other medically related businesses.
